Here's what our guests have to say:

We were here with our whole family (10 people at the main villa). The food was fantastic and the accommodations were superb. Thanks to Jackson and Blossom for making our stay so memorable. We definitely will be back to this piece of paradise.

Karen and Saul Gruniss, London, England

Golden Clouds is paradise found. We have been all around Jamaica and have found nowhere to match this villa. It is the greatest place on earth and we cannot say enough about what a wonderful time we had here. Thanks to everyone for making our dream come true! This has been our best holiday ever. Looking forward to coming back!

Brenda and Dan Cousidine, Lexington, KY

Thanks to Golden Clouds for a "Perfect" honeymoon! But most of all, thanks to Blossom and Jackson. We thoroughly enjoyed every meal and moment here, and all the snorkeling, diving, and tennis we could ask for. We will definitely be back for our anniversary!

Laura and Rod Soars, Greenville, SC

Fabulous, fun, friendly place! Warm in climate and spirit! This has been a wonderful place to vacation and most of it is because of the friendly people here who cared for us superbly. We had a wonderful time and everyone here took extra good care of us, the staff are really special people who really made our vacation so great.

Kathy and Albert Bellas, Stockton, MA

Truly a garden of Eden. Ms. Blossom's cooking was delicious. Dining at Golden Clouds was better than any of the finest restaurants in Jamaica – or the U.S. for that matter. We had a wonderful time and will be back again.

Carolyn, Joy, and Bill Powell, Tyler, TX

Blossom, we'll need to publish a book of your recipes. You've certainly spoiled our taste buds! Thanks for making our stay most enjoyable. It was a terrific way to spend the holidays and greet the new year! Thanks for everything.

Liz and John Langhery, Wayne, PA

Thank you to all the staff at Golden Clouds, especially Blossom and Jackson for making sure we were well taken care of during our great relaxing week. Fantastic meals and luxurious accommodations – it was a week we will never forget.

Susan and Dewey Bartlett, Tulsa, OK

The most unbelievable 5 days we ever spent. This is definitely our "garden of Eden" and we will be back. If Blossom is missing, you can find her in Fairfax, CA :). Blossom, we love you and you have made our vacation so special.

Kate and Larry Rose, Fairfax, CA

An idyllic getaway that becomes more relaxing with each day. Great staff (with special thanks to Blossom) with fantastic food and service. The beautiful setting makes Golden Clouds a true paradise.
Patrick Sammons, Novato, CA

The most blissful 9 days that we can ever remember. Blossom is a rare and treasured find – we're definitely coming back for some of her special pumpkin soup! Ken was always eager to help and Jackson was very nice as well.
Helen and Dennis Scherr, Wawatosa, WI

We spent the new year at this amazing place. The weather was great and the staff were super. Michael, our 6 year old son enjoyed the sea, pool, and exploring the beautiful grounds. If you can stand the snow we'd take you home with us, Blossom! Thanks for everything!
Mr. and Mrs. Girardi, Toronto, Canada

We had a simply marvellous holiday at Golden Clouds. Many thanks to everyone for making our vacation so unforgettable. Thanks to Blossom, Jackson and Ken for all your help and sincere kindness!
Margaret and Bryan Smith, Norfolk, England

We will always remember this wonderful vacation. Our special thanks to our new friends we've found here. Blossom's cooking is terrific – but she added much more to our stay than good food. Jackson was always there when we needed him, and we will miss you both. Please watch our goats, and Blossom, please don't cook them:).
Bob and Judy Kollen, Stoughton, MA

After 10 days here, I feel like I'm leaving "home". This has been a very rejuvenating, wonderful time for us. Blossom, you are the best and Jackson was terrific as well. Now that we are so spoiled we HAVE to come back – nowhere else is good enough after this treatment. See you soon!
The Carltons, Monroe, MI

Thanks to Golden Clouds for affording us the opportunity to get together with people we haven't seen in 25 years. It was the ideal place for a reunion. Thanks again for everything. The facilities, food, and staff were simply amazing. It was exactly what we were hoping for.
The Silvera Family, Huntington, NY

Thanks to Tilley and Rowan for taking such good care of us at the Golden Acres villa for our first few days. When the rest of our family and friends arrived we moved to the main villa (Golden Clouds). We had a beautiful wedding on the beach at sunset. Thanks to everyone for making our wedding/honeymoon/family gathering so special.
Laura & Mark Swanger, San Marino, CA

We saw a lot of Northern Jamaica and spent time on the tennis court, the pool and the snorkelling in the sea. But, we'll remember most the dinners prepared by blossom. This is a vacation we will never forget, the Villa, the staff, and the beautiful grounds. One day soon we hope to return.
Louise and Lance King, Coral Gables, FL

Thank you Golden Clouds for one week of heaven. You redefined the term "Great vacation" for us. This was simply a vacation like no other, and the memories will stay with us forever.

Tali Michaely & Doran Joseph, Boston, MA

18 Blakes descended upon Golden Clouds for a two-week stay, in order to celebrate Mel and Rozanne's 50th Anniversary! We could not have chosen a better place for this special occasion. Blossom's cooking is simply the best (make sure to ask for the jerk chicken dinner and lemon meringue pie!), and Jackson took very good care of us. The snorkelling in the reef in front of the house yielded spectacular results with sightings of many exotic and colorful fish. Whether relaxing with a book, playing one of the many games in the games room, or croquet, shuffleboard, and on and on, the kids and adults were always entertained. We'll try and make it back here again someday!

The Blake Family MA, MD, DC, NY, and GA

Thank you Golden Clouds, for your abundance and breathtaking beauty. We will carry your sights, sounds, smells and tastes with us always. Your staff is truly wonderful, everyone made us feel right at home. We are very grateful to have such wondrous times in such a glorious corner of the world. Bravo on your magical garden, it is like a dream come true. Our best wishes to you all!

Brenda Keesal & Ned Bobalassa, Chicago, IL

Golden Clouds is simply paradise. Nowhere else on earth have I achieved such peace of mind while exercising my body and spirit in so many ways. I'm reminded of Kubla Khan's sunny pleasure dome..."For he has fed on honeydew and drunk the milk of paradise", or orange juice in this case. I wish that everyone could spend a week here. I've been more free from stress in the past week than at any other time in my adult life. I very much enjoyed my time with the other guests and I hope my memories will be long lived.

Matt Cheney, Philadelphia, PA

What a special place for our family to gather together for a most memorable reunion. We were in awe of the beauty of the setting, the peace and tranquility, and the privacy. The thoughtful care which everyone gave us was deeply appreciated. Thank you Blossom, Jackson, Kenneth, Clover, Peggy, Rose, Rowan, and Vincent – the greatest staff in the world!

The Budd Family, ME, CA, OR, France

A perfect week thanks to the hard work and care from everyone at Golden Clouds. The weather was great and the villa and property are amazing. We are so grateful to have had the opportunity to visit this incredible place. Thank you!

The O'Neill Family, Bloomfield Hills, MI

Our sixth trip to Golden Clouds and eighth to Jamaica. What an awesome time – again!! We will be back again next year. Each visit is a treasured time that too quickly becomes a cherished memory. Blossom, Jackson, Kenny, Clover, Peggy and Vincent all take wonderful care of us each time we stay at this slice of paradise. The gardens are one of our favorite places on the grounds and are a great place for quiet reflection. It is easier to leave this year, knowing we have already booked our stay for next year. Thank you everyone!

Carol and Charlie Sheaf, Janesville, WI

An absolutely wonderful, wonderful vacation! We were with best of friends (10 of us) and shared many, many laughs and the great memories will last a lifetime. I know I gained at least a few pounds thanks to Blossom's amazing cooking. There is a great exercise room and lots of sporting activities, but I was content to relax with Jackson's special "Golden Clouds" cocktails and spend time with some great friends. The villa is like no place on earth and we have really enjoyed our time here. We will be back!

The Goodwins, Kolts, and Hergerts, GA, MI, NJ

My first visit to Jamaica was much more than I could ever have imagined. Golden Clouds re-awakened by school-boy heart and fed my artist's eyes. Thank you for a wonderful vacation and memories that will last a lifetime.

Pete Culos, Red Bank, NJ

I've been coming to Golden Clouds my whole life and every vacation seems to outdo the last. Blossom's cooking defies logical explanation by getting better and better every year. My god, I love this place. Thanks to all. One love.

Joshua (11 years old) New York, NY

The whole family loved this vacation. The villa was superb as was the staff. The reef provided hours of fun for everyone. It was a perfect place for a family to relax and bond. It was a wonderful, wonderful holiday. We will definitely be back!

Weddings are always special, but our daughter's wedding was perfect thanks to the beautiful setting, the warm hospitality of the staff, and the great food. The wedding coordinator, Norma, was very professional the flowers and decorations were stunning. Thanks to Blossom and her wonderful staff, she made this special day even better.

Thank you Norma, Blossom, Kenneth, and everyone for making this wedding so special for everyone.

Thanks to Ms. Norma for the outstanding catering and planning of our wedding. Also, thanks to Ms. Blossom – your meals were delicious. Also, thanks to Mr. Jackson and Kenneth for everything.

Our stay here has been a fairy tale come true. My daughter's wedding was everything we have dreamed about. I can't say enough about the staff – everyone was wonderful and the food was GREAT! The experiences exceeded all my expectations and this was the most memorable week of my life.

Peggy Maakel, Atlanta, GA

We arrived for two weeks of fabulous relaxation and fun and had it all. For most of us, it was our second time at Golden Clouds although the first time was 14 years ago. The memory of our first trip never dimmed because we kept reliving many of these moments over the years, so when we finally made it back to paradise it was easy to pick up where we left off. This is truly Shangri-la and we will make sure we come back much sooner than we did the last time.

Peggy and Ted Burton, Henderson, NV

Elisabeth's 40th Birthday was an unforgettable week at a most amazing place. The staff were phenomenal and the food was incredible. Its been a pleasure and we will definitely be back soon. Thanks to everyone at Golden Clouds, you have a great team!

The Thomas Family, San Jose, CA

Quite possibly the best vacation ever. We had a fantastic time both at the villa and exploring the area. We went climbing Dunn's river falls, went golfing, horseback riding and had a great bike ride to the sea. The staff at Golden Clouds could not have been more pleasant or helpful. Everyone at the villa treated us like royalty! Thank you, Thank you, Thank you!

Anne Marie and Bill Lee, Glenmore, PA
